Association of Civil Engineering Students

EVENT REPORT

Event – Webinar on
"Getting started with Git and Github"

In this situation of pandemic **Association of Civil Engineering Students (ACES)** organized a webinar (web seminar) on Github. The webinar was conducted on 27th September,2020 and started at 11 P.M. on Sunday. The event was conducted on Zoom platform. The speaker for the same were Amanjot Singh (CSE department) and Tandeep Singh (Ex M.Tech). Guest of Honor Dr. H.S Rai, H.O.D of Civil Engineering Department at GNDEC shared his prized words with the participants, motivating them and telling the importance of Github. The event was started off by ACES faculty advisor Yuvraj Singh and Aman Mittal (Discipline Head) and was passed onto the speakers. Both the speakers shared their views on Github and tried to clear all the doubts of the participants. The webinar had 110 participants and all participated in the public poll.

At last, the link for feedback form was shared with the participants to get there valuables comments.
